# Terms of Service

Version 2026-10-13-public-v1 · English

## 1. Scope

These terms apply to the use of the website and the product-adjacent areas of Tourassistant.

## 2. Service description

Tourassistant supports the planning of client appointments, routes, buffer times, and hotel stops.

## 3. Accounts and access

Protected areas may only be used with a valid user account. Access credentials must be kept confidential.

## 4. Acceptable use

The platform may only be used for legitimate operational and organizational purposes. Abuse or disruptive interference is not permitted.

## 5. Availability and ongoing development

Tourassistant is developed continuously. Individual functions, content, and workflows may change over time.

## 6. Privacy

How personal data is processed is described in the privacy policy.

## 7. Changes

If functions or usage rules change in a relevant way, the accompanying information will be updated.

## 8. Contact

If you have questions about the terms, you can use this contact address.
